

Oregon Focus on Math Best Practices Workshop

Does this describe your “normal” class period?

Warm-Up
Correct Homework
Notes
Examples
Time to Work

Are you looking for more creative ways to present mathematics to your students?

Do you want to increase student engagement in your classroom?

Would you like more students participating in your class each day?

Join the series author of Oregon Focus on Math for a day of best practices that you can implement immediately in your classroom using your current Oregon Focus on Math materials.

Who Should Attend: Teachers who use Oregon Focus on Math in their classrooms and would like to increase student engagement and participation.

Purpose of Workshop: To equip teachers with strategies and tools needed to increase student engagement in classrooms using Oregon Focus on Math. Teachers will participate in activities using variations of Oregon Focus on Math materials.
